## COMPANY OVERVIEW

B2 Solutions is a leading energy management partner, providing comprehensive solutions across mechanical, electrical, plumbing, building automation, renewable energy, and distributed energy resources, along with incentive program management. With over 75 years of combined expertise, our team delivers customized, turnkey energy efficiency solutions for industrial, public, and private sectors nationwide. We leverage strong partnerships with top-tier manufacturers and distributors to ensure cost-effective, high-performance solutions tailored to each customer's needs and project timelines.

## CORE COMPETENCIES

- **HVAC/CRAC Units:** Expertise in HVAC optimization, CRAC units, and data center cooling.
- **Energy Solutions:** Specializes in energy efficiency retrofits, LED lighting upgrades, solar energy solutions, and EV charging stations.
- **Electrical/Plumbing:** Provides electrical contracting and plumbing services.
- **General Construction:** Offers turnkey construction, facility modernization, renovation, and retrofitting services. Includes capabilities in MEP (Mechanical/Electrical/Plumbing).
- **Preventive Maintenance:** Provides preventive maintenance services.
- **Regulatory Compliance:** Addresses regulatory compliance for clients.
- **Procurement and Logistics:** Utilizes advanced procurement and logistics.
- **Precision Audits:** Conducts precision audits for energy solutions.

## PAST PERFORMANCE & KEY CLIENTS

- **Energy Efficiency Upgrades:** Upgraded over 5,000 fixtures to high-efficiency LED lighting, resulting in a 40% reduction in energy costs and securing a state energy rebate.
- **LED Retrofit & Solar Integration:** Implemented LED retrofit and solar integration projects funded by state incentives, achieving \$180,000 in annual savings and fostering STEM education partnerships.
- **Served clients in the healthcare, education, industrial, and commercial sectors.**

## DIFFERENTIATORS

- **OEM Partnerships:** Direct OEM partnerships.
- **Turnkey Solutions:** Provides turnkey energy to construction solutions.
- **Comprehensive Documentation & Compliance:** Ensures full documentation and compliance.
- **Quality & Customer Satisfaction:** Maintains rigorous quality control, transparent communication, and proactive customer support.
- **Extensive Expertise:** Possesses over 75 years of combined expertise in commercial, residential, and military project management.

## MISSION STATEMENT

B2 Solutions empowers federal, state, and commercial clients with veteran-led energy and construction expertise, delivering turnkey solutions that optimize efficiency, reduce costs, and ensure mission-critical reliability. Through innovation, integrity, and SDVOSB-certified service, we build resilient infrastructure for a sustainable future.
